The 26 miles of trails in the Corsair area vary from level to gently rolling to somewhat hilly, providing variety for hikers and pleasure to skiers. The trails may be hiked anytime during the snow-free periods. Wildlife is abundant along the trails. Visitors may glimpse white tail deer, wild turkeys and a variety of songbirds.

Winter trail maintenance and grooming is supported by the Tawas Area Chamber of Commerce/Corsair Trail Council through a challenge cost share agreement.

## LOCATION

The Corsair Trail Complex is located in Iosco County, Michigan. The nearest community is Tawas, about 7 miles southeast on Monument Road.

## ACCESS
