

Things to be thankful for during November at Tawas Bay.

Michigan's Sunrise Coast for spectacular sunrises and sunsets.

Beautiful beaches right from your [hotel, cabin](#) or [campsite](#).

[Scenic drives and locations.](#)

And...Winter!

Wrapped in a blanket of white, the Tawas become a playground of Winter activities. Wildlife endures with us during Old Man Winter's glory days. With miles of groomed cross-country ski and snowmobile trails, frozen lakes for fishing, a snowbox derby and Perchville (Michigan's oldest winter carnival), there is always something to help keep you warm and entertained here.

Hunting

Hunting is permitted on National Forest lands. With an abundance of deer, bear and other large game hunters will find a variety of opportunities.

Annual Perchville USA

February 2-4, 2003

Come, stay and play on frozen Tawas Bay. Michigan's oldest winter carnival offers a huge variety of activities for the whole family. Take a dip in icy Lake Huron, taste homemade chili, take the kids down to the Family Tent for games, food and a magic show. There is a parade down US-23, food vendors and a Hospitality Tent with great music. This is a one-of-a-kind Michigan experience you just can't miss!

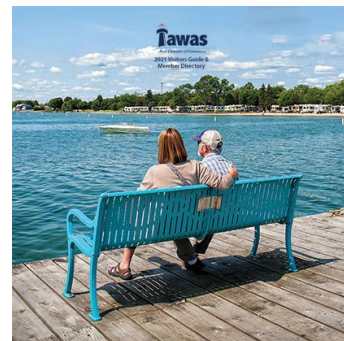

Thank you for visiting us this year.
